SUPREME TRINITY PERSONALITIES

18:0.1. SUPREME Trinity Personalities are all created for specific service. They are designed by the divine Trinity for the fulfillment of certain specific duties, and they are qualified to serve with perfection of technique and finality of devotion. There are seven orders of the Supreme Trinity Personalities:

- 18:0.2 1) Trinitized Secrets of Supremacy.
- 18:0.3 2) Eternals of Days.
- 18:0.4 3) Ancients of Days.
- 18:0.5 4) Perfections of Days.
- 18:0.6 5) Recents of Days.
- 18:0.7 6) Unions of Days.
- 18:0.8 7) Faithfuls of Days.

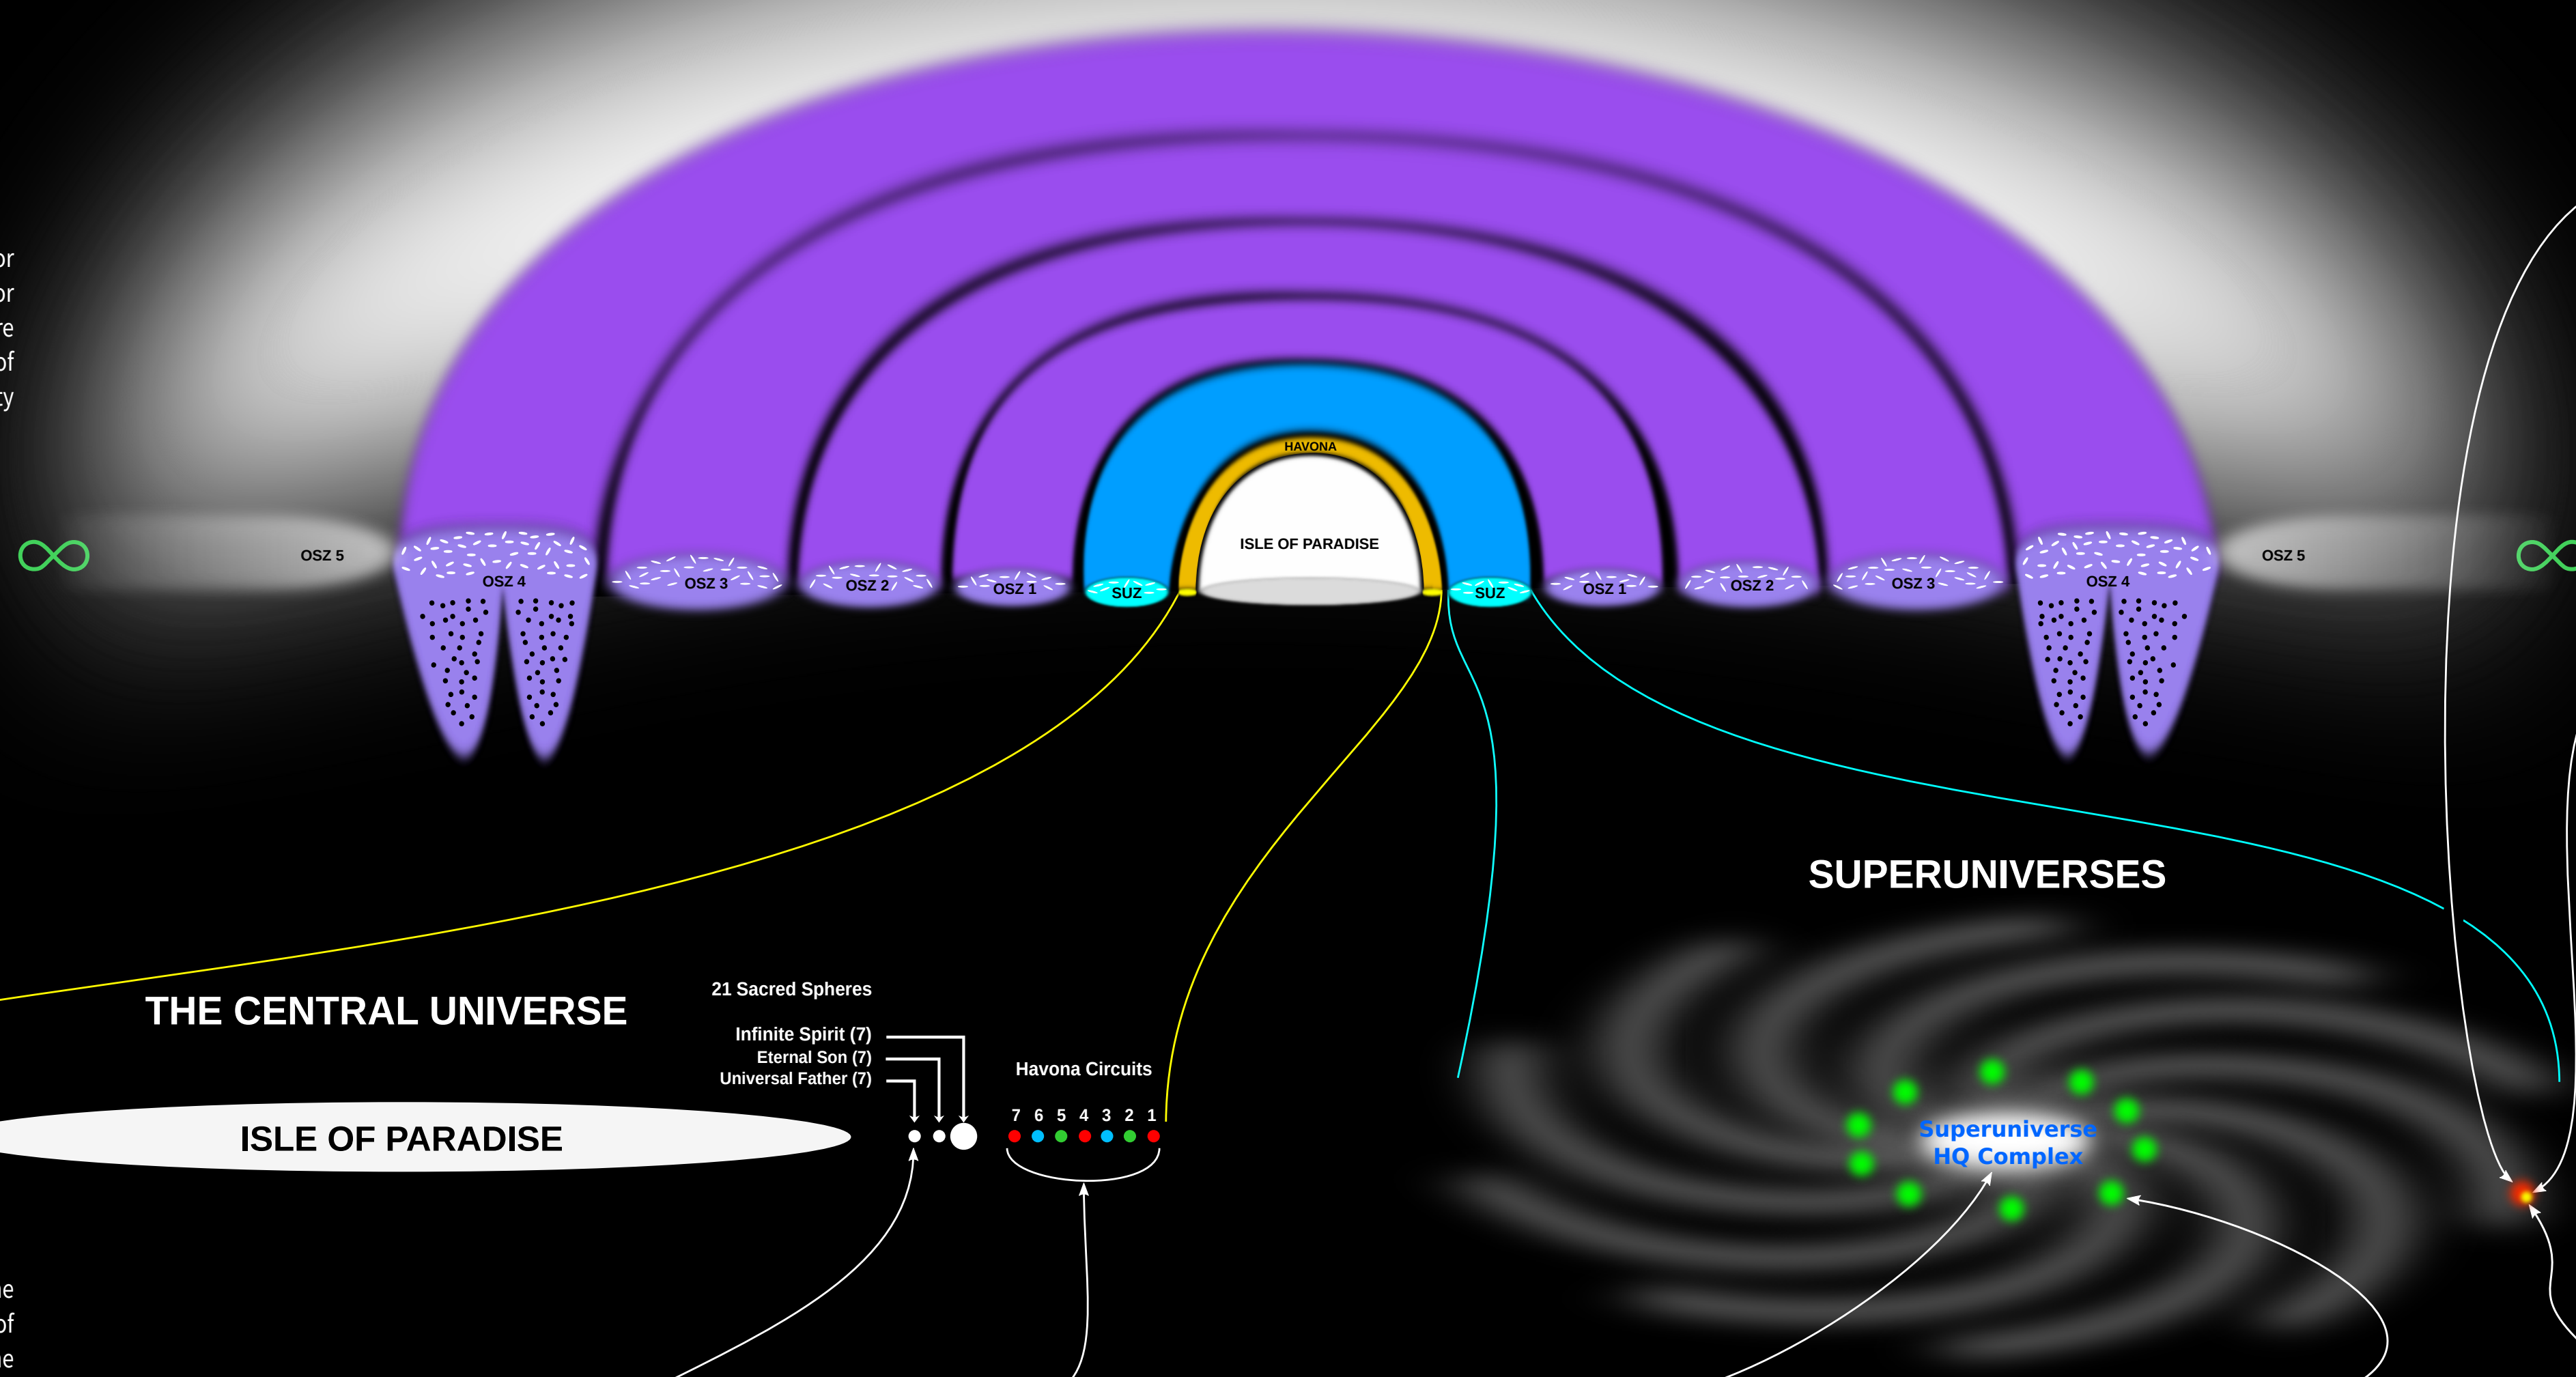

18:0.9. These beings of administrative perfection are of definite and final numbers. Their creation is a past event; no more are being personalized.

18:0.10. Throughout the grand universe these Supreme Trinity Personalities represent the administrative policies of the Paradise Trinity; they represent the justice and are the executive judgment of the Paradise Trinity. They form an interrelated line of administrative perfection extending from the Paradise spheres of the Father to the headquarters worlds of the local universes and to the capitals of their component constellations.

18:0.11. All Trinity-origin beings are created in Paradise perfection in all their divine attributes. Only in the realms of experience has the passing of time added to their equipment for cosmic service. There is never any danger of default or risk of rebellion with Trinity-origin beings. They are of divinity essence, and they have never been known to depart from the divine and perfect path of personality conduct.

THE OUTER SPACE ZONES

During this universe age the Architects of the Master Universe are the defacto administrators of all space zones beyond the borders of the superuniverses until the appearance of specific rulers.

RECENTS OF DAYS

18:5.1. The Recents of Days are the youngest of the supreme directors of the superuniverses; in groups of three they preside over the affairs of the minor sectors. In nature they are co-ordinate with the Perfections of Days, but in administrative authority they are subordinate. There are just twenty-one thousand of these personally glorious and divinely efficient Trinity personalities.

18:5.3. The governments of the minor sectors are very largely, though not exclusively, concerned with the great physical problems of the superuniverses. The minor sector spheres are the headquarters of the Master Physical Controllers.

UNIONS OF DAYS

18:6.1. The Trinity personalities of the order of "Days" do not function in an administrative capacity below the level of the superuniverse governments. In the evolving local universes they act only as counselors and advisers. The Unions of Days are a group of liaison personalities accredited by the Paradise Trinity to the dual rulers of the local universes. Each organized and inhabited local universe has assigned to it one of these Paradise counselors, who acts as the representative of the Trinity, and in some respects, of the Universal Father, to the local creation.

18:6.2. There are seven hundred thousand of these beings in existence, though they have not all been commissioned. The reserve corps of the Unions of Days functions on Paradise as the Supreme Council of Universe Adjustments.

FAITHFULS OF DAYS

18:7.1. These high Trinity-origin personalities are the Paradise advisers to the rulers of the one hundred constellations in each local universe. There are seventy million Faithfuls of Days, and like the Unions of Days, not all are in service. Their Paradise reserve corps is the Advisory Commission of Interuniverse Ethics and Self-government. Faithfuls of Days rotate in service in accordance with the rulings of the supreme council of their reserve corps.

18:7.2. All that a Union of Days is to a Creator Son of a local universe, the Faithfuls of Days are to the Vorondadek Sons who rule the constellations of that local creation. They are supremely devoted and divinely faithful to the welfare of their constellations of assignment, hence the name—Faithfuls of Days. They act only as counselors; never do they participate in administrative activities except upon the invitation of the constellation authorities. Neither are they directly concerned in the educational ministry to the pilgrims of ascension on the architectural training spheres surrounding a constellation headquarters. All such undertakings are under the supervision of the Vorondadek Sons.

18:7.3. All Faithfuls of Days functioning in the constellations of a local universe are under the jurisdiction of, and report directly to, the Union of Days.

TRINITIZED SECRETS OF SUPREMACY

18:1.1. There are seven worlds in the innermost circuit of the Paradise satellites, and each of these exalted worlds is presided over by a corps of ten Trinitized Secrets of Supremacy. They are not creators, but they are supreme and ultimate administrators.

18:1.2. The Trinitized Secrets of Supremacy function in groups of ten as co-ordinate and joint directors of their respective spheres, but they also function individually in particular fields of responsibility. The work of each of these special worlds is divided into seven major departments, and one of these co-ordinate rulers presides over each such division of specialized activities. The remaining three act as the personal representatives of triune Deity in relation to the other seven, one representing the Father, one the Son, and one the Spirit.

18:1.3. Although there is a definite class resemblance which typifies the Trinitized Secrets of Supremacy, they also disclose seven distinct group characteristics. The ten supreme directors of Divinington affairs are reflective of the personal character and nature of the Universal Father; and so it is with each of these seven spheres: Each group of ten resembles that Deity or Deity association which is characteristic of their domain. The ten directors who rule Ascendington are reflective of the combined nature of the Father, Son, and Spirit.

ETERNALS OF DAYS

18:2.1. Each of the billion worlds of Havona is directed by a Supreme Trinity Personality. These rulers are known as the Eternals of Days, and they number exactly one billion, one for each of the Havona spheres. They are the offspring of the Paradise Trinity, but like the Secrets of Supremacy there are no records of their origin. Forever have these two groups of all-wise fathers ruled their exquisite worlds of the Paradise-Havona system, and they function without rotation or reassignment.

18:2.2. The Eternals of Days are visible to all will creatures dwelling in their domains. They preside over the regular planetary conclaves. Periodically, and by rotation, they visit the headquarters spheres of the seven superuniverses. They are close of kin to, and are the divine equals of, the Ancients of Days, who preside over the destinies of the seven supergovernments. When an Eternal of Days is absent from his sphere, his world is directed by a Trinity Teacher Son.

18:2.3. The resident Eternals of Days have developed their respective spheres entirely in accordance with their own personal ideas and ideals. They visit each other's planets, but they do not copy or imitate; they are always and wholly original.

ANCIENTS OF DAYS

18:3.2. The Ancients of Days are all basically identical; they disclose the combined character and unified nature of the Trinity. They provide the uniform directorship of the otherwise differing seven superuniverses, each of which is a distinct, segregated, and unique creation.

18:3.3. The Seven Master Spirits on high determine the nature of their respective superuniverses, but the Ancients of Days dictate the administration of these same superuniverses. They superimpose administrative uniformity on creative diversity and insure the harmony of the whole in the face of the underlying creational differences of the seven segmental groupings of the grand universe.

18:3.5. These high beings always govern in groups of three. There are many phases of activity in which they work as individuals, still others in which any two can function, but in the higher spheres of their administration they must act jointly.

18:3.7. In power, scope of authority, and extent of jurisdiction the Ancients of Days are the most powerful and mighty of any of the direct rulers of the time-space creations. In all the vast universe of universes they alone are invested with the high powers of final executive judgment concerning the eternal extinction of will creatures.

PERFECTIONS OF DAYS

18:4.1. There are just two hundred and ten Perfections of Days, and they preside over the governments of the ten major sectors of each superuniverse. They were trinitized for the special work of assisting the superuniverse directors, and they rule as the immediate and personal vicegerents of the Ancients of Days.

18:4.2. Three Perfections of Days are assigned to each major sector capital, but unlike the Ancients of Days, it is not necessary that all three be present at all times. From time to time one of this trio may absent himself to confer in person with the Ancients of Days concerning the welfare of his realm.

18:4.3. These triune rulers of the major sectors are peculiarly perfect in the mastery of administrative details, hence their name—Perfections of Days.

18:4.6. Before the times of the full unfolding of the governmental scheme of the seven superuniverses, practically all administrators of the various divisions of these governments, excepting the Ancients of Days, served apprenticeships of varying duration under the Eternals of Days on the various worlds of the perfect Havona universe. They are all seasoned, tried, and experienced administrators.
