

THE SEVEN SUPREME SPIRIT GROUPS

17:0.1. THE seven Supreme Spirit groups are the universal co-ordinating directors of the seven-segmented administration of the grand universe. Although all are classed among the functional family of the Infinite Spirit, the following three groups are usually classified as children of the Paradise Trinity:

- 17:0.2.1. The Seven Master Spirits.
- 17:0.3.2. The Seven Supreme Executives.
- 17:0.4.3. The Reflective Spirits.

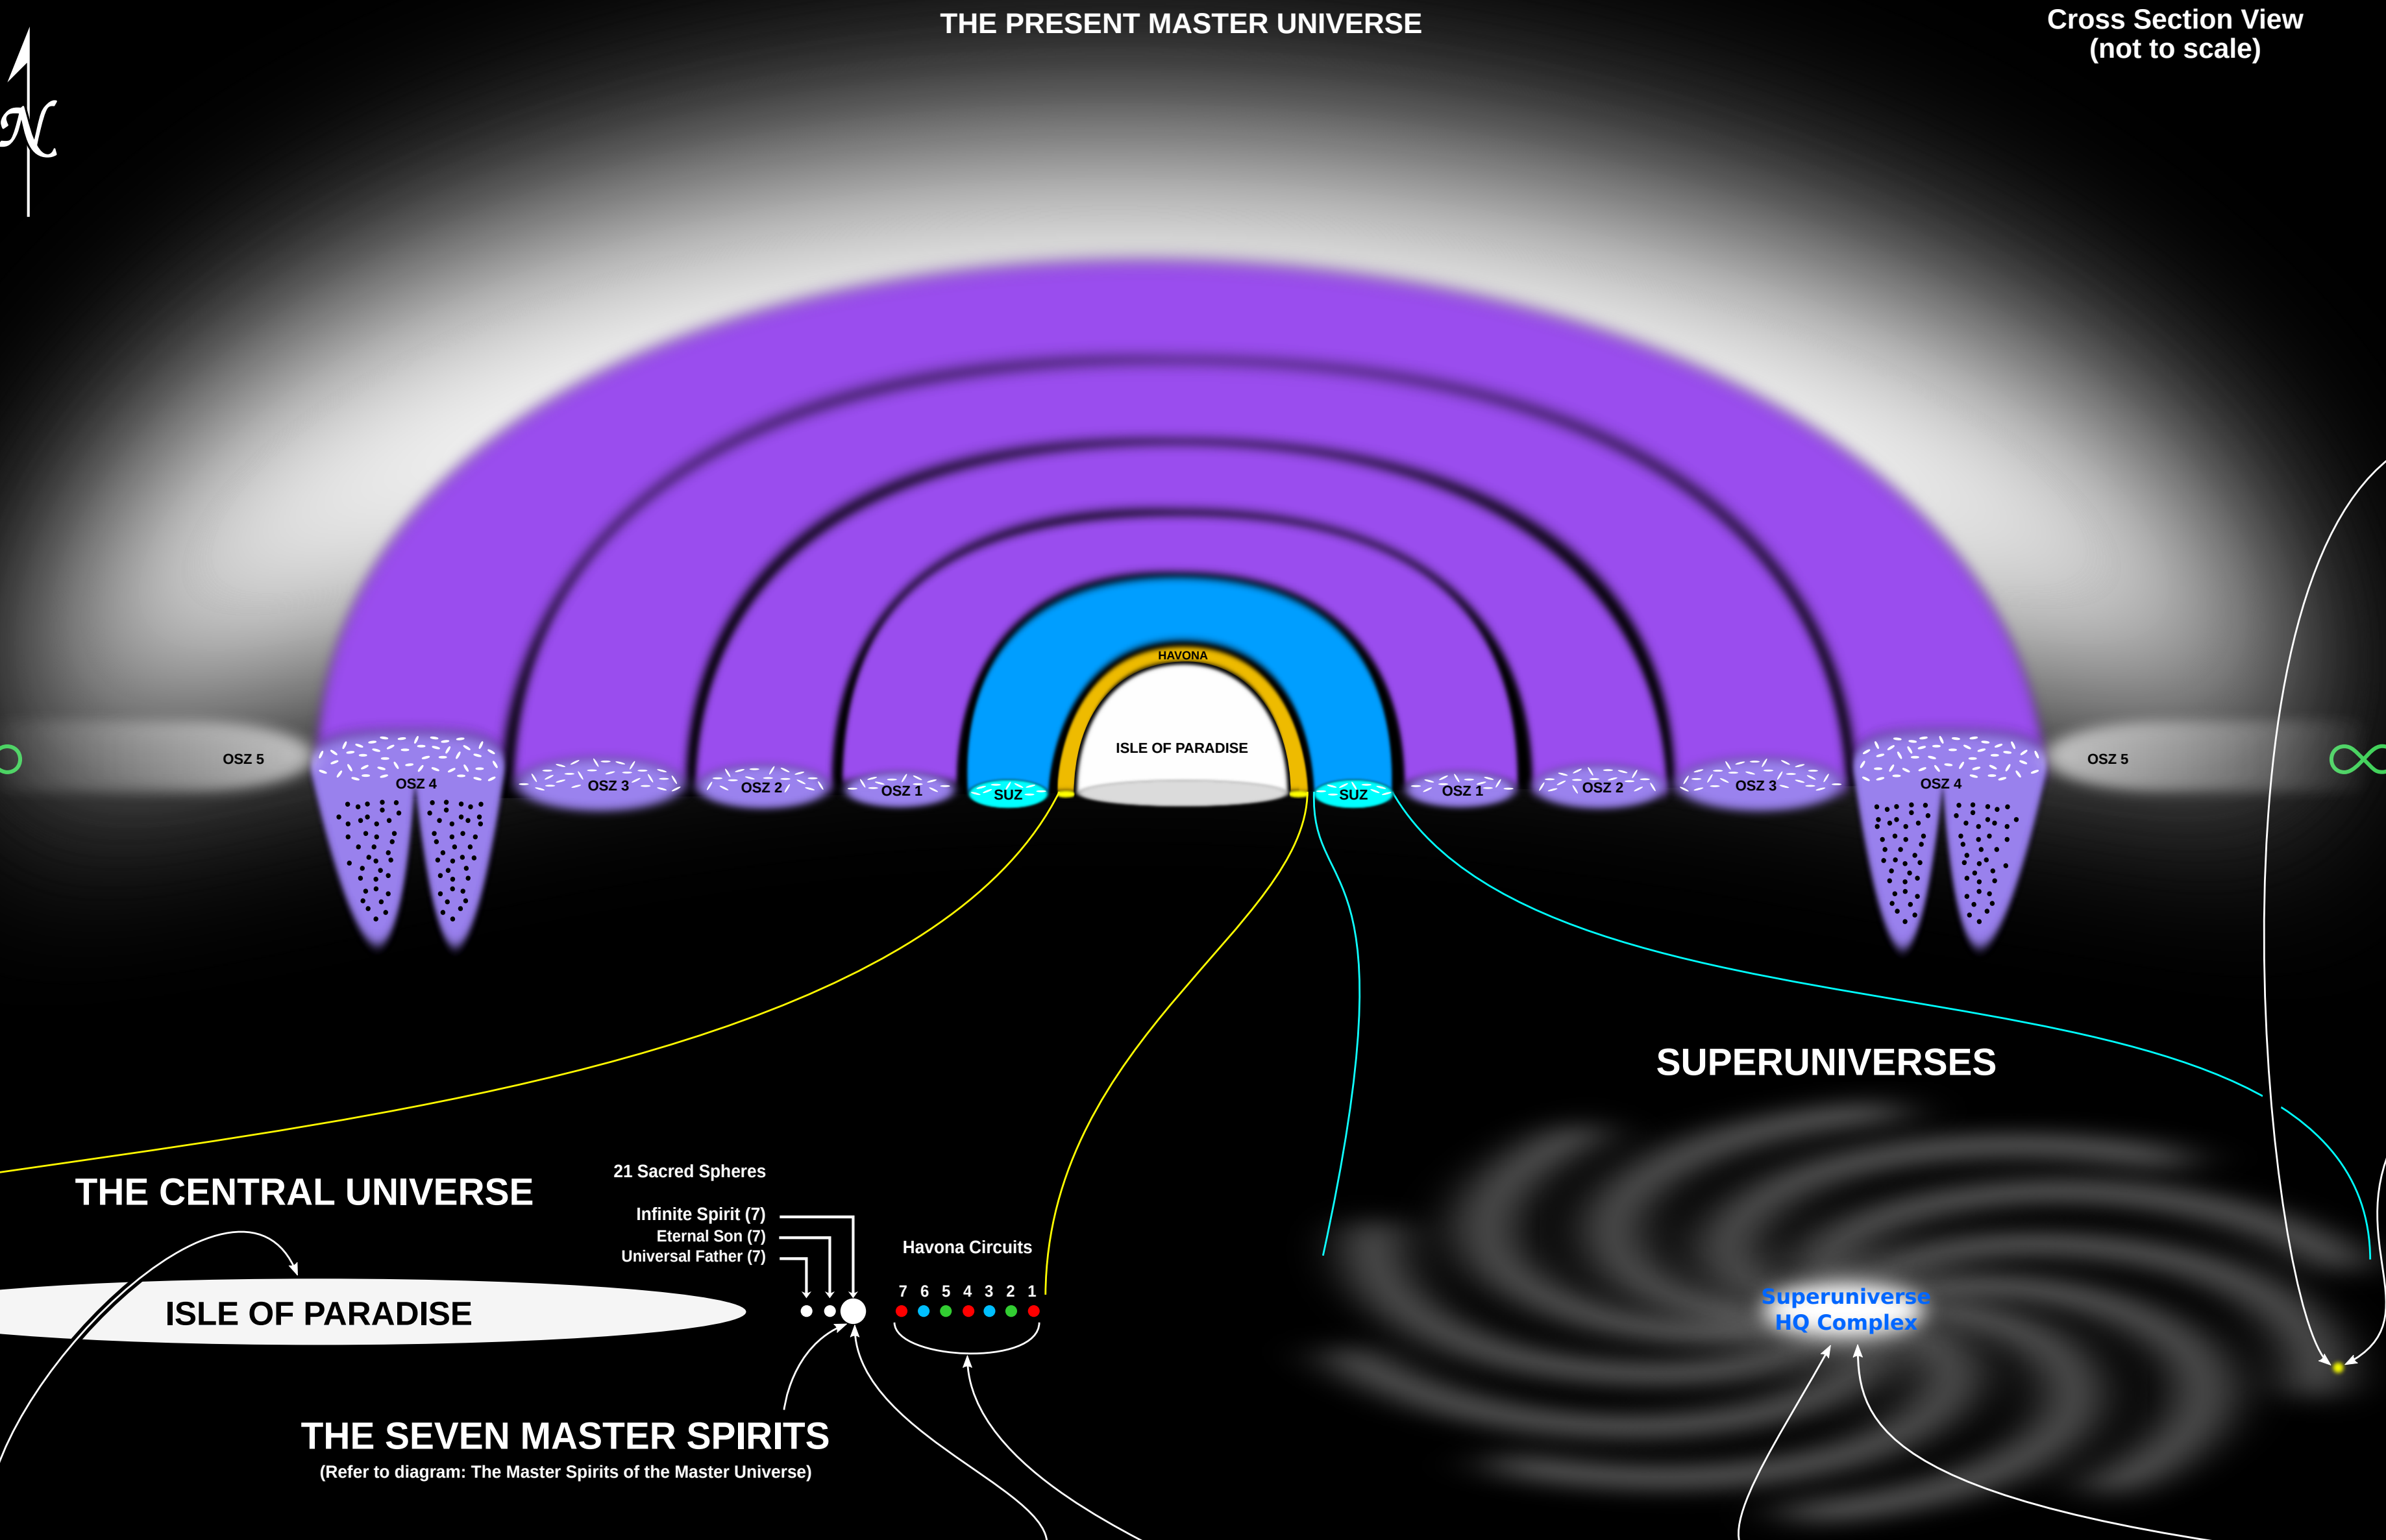

17:0.5. The remaining four groups are brought into being by the creative acts of the Infinite Spirit or by his associates of creative status:

- 17:0.6.4. The Reflective Image Aids.
- 17:0.7.5. The Seven Spirits of the Circuits.
- 17:0.8.6. The Local Universe Creative Spirits.
- 17:0.9.7. The Adjutant Mind-Spirits.

17:0.10. These seven orders are known on Uversa as the seven Supreme Spirit groups. Their functional domain extends from the personal presence of the Seven Master Spirits on the periphery of the eternal Isle, through the seven Paradise satellites of the Spirit, the Havona circuits, the governments of the superuniverses, and the administration and supervision of the local universes, even to the lowly service of the adjutants bestowed upon the realms of evolutionary mind on the worlds of time and space.

17:0.11. The Seven Master Spirits are the co-ordinating directors of this far-flung administrative realm. In some matters pertaining to the administrative regulation of organized physical power, mind energy, and impersonal spirit ministry, they act personally and directly, and in others they function through their multifarious associates. In all matters of an executive nature—rulings, regulations, adjustments, and administrative decisions—the Master Spirits act in the persons of the Seven Supreme Executives. In the central universe the Master Spirits may function through the Seven Spirits of the Havona Circuits; on the headquarters of the seven superuniverses they reveal themselves through the channel of the Reflective Spirits and act through the persons of the Ancients of Days, with whom they are in personal communication through the Reflective Image Aids.

17:0.12. The Seven Master Spirits do not directly and personally contact universe administration below the courts of the Ancients of Days. Your local universe is administered as a part of our superuniverse by the Master Spirit of Orvonton, but his function in relation to the native beings of Nebadon is immediately discharged and personally directed by the Creative Mother Spirit resident on Salvington, the headquarters of your local universe.

MAJESTON—CHIEF OF REFLECTIVITY
 0:3.14.2. The mind forces are convergent in the Infinite Spirit; the differential and divergent cosmic mind in the Seven Master Spirits; the factualizing mind of the Supreme as a time-space experience in Majeston.
 17:2.3. Majeston is a true person, the personal and infallible center of reflectivity phenomena in all seven superuniverses of time and space. He maintains permanent Paradise headquarters near the center of all things at the rendezvous of the Seven Master Spirits. He is concerned solely with the co-ordination and maintenance of the reflectivity service in the far-flung creation; he is not otherwise involved in the administration of universe affairs.
 17:2.4. He is a person, but he is exclusively and apparently automatically concerned with this one phase of universe economy; he does not now function in any personal capacity with relation to other (nonreflective) orders of universe personalities.
 17:3.10. During the present universe age the space range of the extra-Paradise reflectivity service seems to be limited by the periphery of the seven superuniverses. Otherwise, the function of this service seems to be independent of time and space. It appears to be independent of all known subabsolute universe circuits.

SEVEN SUPREME EXECUTIVES
 17:1.1. The executive headquarters of the Master Spirits occupy the seven Paradise satellites of the Infinite Spirit. These executive spheres are under the direction of the Supreme Executives.
 17:1.3. The Seven Supreme Executives function as the administrative co-ordinators of the grand universe; they might be termed the board of managing directors of the post-Havona creation. They are not concerned with the internal affairs of Paradise, and they direct their limited spheres of Havona activity through the Seven Spirits of the Circuits. Otherwise there are few limits to the scope of their supervision; they engage in the direction of things physical, intellectual, and spiritual; they see all, hear all, feel all, even know all, that transpires in the seven superuniverses and in Havona.
 17:1.4. These Supreme Executives do not originate policies, nor do they modify universe procedures; they are concerned with the execution of the plans of divinity promulgated by the Seven Master Spirits. Neither do they interfere with the rule of the Ancients of Days in the superuniverses nor with the sovereignty of the Creator Sons in the local universes.
 17:1.5. Each of the executives and the facilities of his sphere are devoted to the efficient administration of a single superuniverse.

SEVEN SPIRITS OF THE CIRCUITS
 17:5.1. The Seven Spirits of the Havona Circuits are the joint impersonal representation of the Infinite Spirit and the Seven Master Spirits to the seven circuits of the central universe. They are the servants of the Master Spirits, whose collective offspring they are. The Master Spirits provide a distinct and diversified administrative individuality in the seven superuniverses. Through these uniform Spirits of the Havona Circuits they are enabled to provide a unified, uniform, and co-ordinated spiritual supervision for the central universe.
 17:5.2. The Seven Spirits of the Circuits are each limited to the permeation of a single Havona circuit. They are not directly concerned with the regimes of the Eternals of Days, the rulers of the individual Havona worlds. But they are in liaison with the Seven Supreme Executives, and they synchronize with the central universe presence of the Supreme Being.
 17:5.5. The Circuit Spirits are related to the native inhabitants of Havona much as the Thought Adjusters are related to the mortal creatures inhabiting the worlds of the evolutionary universes. Like the Thought Adjusters, the Circuit Spirits are impersonal, and they consort with the perfect minds of Havona beings much as the impersonal spirits of the Universal Father indwell the finite minds of mortal men. But the Spirits of the Circuits never become a permanent part of Havona personalities.

REFLECTIVE SPIRITS
 17:3.1. The forty-nine Reflective Spirits are of Trinity origin, but each of the seven creative episodes attendant upon their appearance was productive of a type of being in nature resembling the characteristics of the coancestral Master Spirit. Thus they variously reflect the natures and characters of the seven possible combinations of the association of the divinity characteristics of the Universal Father, the Eternal Son, and the Infinite Spirit. For this reason it is necessary to have seven of these Reflective Spirits on the headquarters of each superuniverse. One of each of the seven types is required in order to achieve the perfect reflection of all phases of every possible manifestation of the three Paradise Deities as such phenomena might occur in any part of the seven superuniverses. One of each type was accordingly assigned to service in each of the superuniverses. These groups of seven dissimilar Reflective Spirits maintain headquarters on the capitals of the superuniverses at the reflective focus of each realm, and this is not identical with the point of spiritual polarity.
 17:3.5. The Reflective Spirits are not merely transmitting agents; they are retentive personalities as well.
 17:3.7. The reflectivity organization is also the news-gathering and the decree-disseminating mechanism of all creation. It is in constant operation in contrast with the periodic functioning of the various broadcast services.

REFLECTIVE IMAGE AIDS
 17:4.1. The forty-nine Reflective Image Aids were created by the Reflective Spirits, and there are just seven Aids on the headquarters of each superuniverse. The first creative act of the seven Reflective Spirits of Uversa was the production of their seven Image Aids, each Reflective Spirit creating his own Aid. The Image Aids are, in certain attributes and characteristics, perfect reproductions of their Reflective Mother Spirits; they are virtual duplications minus the attribute of reflectivity. They are true images and constantly function as the channel of communication between the Reflective Spirits and the superuniverse authorities. The Image Aids are not merely assistants; they are actual representations of their respective Spirit ancestors; they are images, and they are true to their name.

LOCAL UNIVERSE CREATIVE SPIRITS

34:0.1. WHEN a Creator Son is personalized by the Universal Father and the Eternal Son, then does the Infinite Spirit individualize a new and unique representation of himself to accompany this Creator Son to the realms of space, there to be his companion, first, in physical organization and, later, in creation and ministry to the creatures of the newly projected universe.

34:0.2. A Creative Spirit reacts to both physical and spiritual realities.

34:0.3. These Daughter Spirits are of the essence of the Infinite Spirit, but they cannot function in the work of physical creation and spiritual ministry simultaneously.

34:2.3. In each local universe the Divine Minister functions in accordance with the nature and inherent characteristics of the Infinite Spirit as embodied in one of the Seven Master Spirits of Paradise.

ADJUTANT MIND-SPIRITS

34:4.10. The seven adjutant mind-spirits are the creation of the Divine Minister of a local universe. These mind-spirits are similar in character but diverse in power, and all partake alike of the nature of the Universe Spirit, although they are hardly regarded as personalities apart from their Mother Creator. The seven adjutants have been given the following names: the spirit of wisdom, the spirit of worship, the spirit of counsel, the spirit of knowledge, the spirit of courage, the spirit of understanding, the spirit of intuition—of quick perception.
