

Responsibility

The simple logic and laws of freedom are:

- Every man and woman is born free and deserves to live and die free.
- Everyone is responsible for him or herself, for what we think, and what we do.
- With every right comes a responsibility.
- Our individual rights end where another's rights begin.
- Rights and freedoms that are not exercised are moot.
- When we enslave another, we enslave ourselves.
- We are responsible for directing those we employ.
- If we don't like something, it's up to us to change it.
- If we see an injustice, it's up to us to correct it.
- If we want peace, it's our duty to keep it.
- If we are bogged down, it's our job to climb over or dig under.
- If we cherish our own rights, we must cherish the rights of others.
- If we cherish our own freedom, we must cherish the freedom of others.
- And we can never give up or hand over our responsibilities in these respects to anyone
- else, for the moment we do, we are putting ourselves and everyone else at the mercy of
- those twisted and maniacal few who willfully live their lives as parasites.
