

# The Truth Beauty and Goodness Commission

On November 14, 2015 the Universal Father brought to my attention the following information and requests via my Thought Adjuster.

FATHER: Reboot (reestablish) the church that My Son, your elder brother and friend to all, commonly know as Jesus of Nazareth (a.k.a. Joshua ben Joseph) inaugurated nearly 2000 years ago. This church barely lasted 100 years before it deteriorated to the point where it was able to succumb to attacks, and now it is time for it to rise again.

A new era of enlightenment is now upon your world and I have prepared the way for the return of the church that Jesus founded in the spirit of The Fatherhood of God, and the Brotherhood of Man. Do not follow the example of past and present churches, as I am instituting a new paradigm in order to upstep and reorient the concept and use of religion on your world. I have prepared the soil, now you plant the seed, and it will grow into something your world has never seen before, and it will be good.

Resurrect this church and name it the **Truth Beauty and Goodness Commission**. Prepare it and make it ready for when Jesus will once again walk on your world, to be seen with your eyes, and touched by your hands. As well as this name, I also give the church a symbol. Three round dots:  one representing **Truth**, another representing **Beauty**, and the third representing **Goodness**. Prepare the necessary instructions to ensure the name and symbol I give to My church will be understood and used with dignity, for that will be pleasing to Me.

Upon his return, and at a time of My choosing, I will instruct My Son Jesus, to relieve you and once again take control of My church, so that you may continue serving me in other ways. Until then, I place you as the interim, or acting head of My church, as the Chief Apostle.

The pattern that Jesus used to build My church is still good. Use it, and apply the modern embellishments necessary to make it contemporary and pleasing, so that all my sons and daughters will find it welcoming and charming. As it is in your universe where there are Melchizedek sons, Vorondadek sons, and Lanonandek sons, each contributing according to their abilities, likewise follow this pattern and organize My church using this effective three level system: Apostles, Evangelists, and Disciples.

Apostles will be the primary overseers, teachers and emergency workers and will focus largely on the primary church operations. Evangelists will broadcast the good news and be the controllers and overseers of My flock. Disciples will comprise the bulk of the flock and they will be the administrators

of the routine affairs of the church. Again, as it is in your universe, all will be students and teachers of those who come up behind them. Subdivide these three main levels according to ability and merit as will be required. Within these three levels, keep things simple and adaptable.

It is written in your Urantia Book that "the ideal human estate is that in which philosophy, religion, and science are welded into a meaningful unity by the conjoined action of wisdom, faith, and experience." Unity is at the core of all My vast and wonderful creation. Your world and civilization has never been unified. The search for Truth Beauty and Goodness invariably leads to wisdom, and this must become a key factor in the unification of your civilization and entire world.

To help begin the unification of your civilization and entire world, which will take many generations to complete, I designate My church as the custodian of your world's past, present, future, and ever growing collection of wisdom. Build a global library of wisdom using the best technology that is available. My Apostles will oversee it, My Evangelists will promote it, and My Disciples will administer it, for the benefit of all mankind, and in so doing, disunity will increasingly be replaced by unity, and that will be pleasing to Me.

Do not shun the past. Respect and remember it, but do not worship it or pay it undue attention. In this light you shall regard your ancient scriptures and rituals. They are all worthy of respect, and they contain much value, but their time has passed. They will forever be artifacts of your past epochs, and must never be allowed to delay your progress toward Light and Life. They must give way to the new paradigm that I am instituting. Your world is now in its fifth epoch and I have provided, and will continue to provide revelatory information suitable for your level of development. Your world has already received two major written revelations within this fifth epoch, and they are fitting for My church. A formal cosmology known as **The Urantia Book**, and a personal account of the life and teachings of Jesus Christ, dictated by Jesus himself in his own words, and is known as **Jesus Christ - I speak to you again**. My church shall in no way limit itself to these two written revelations, as more revelations are arriving on a regular basis, and all are worthy of consideration.

My church shall not become the custodian of these epochal revelations, however the wisdom they contain may be included in, and become part of the global library of wisdom. I AM the Universal Father, and this concludes your Commission. Carry it out faithfully, protect it diligently, and deliver it joyously to My Son Jesus when he returns, for that will be pleasing to Me.

END

Respectfully,

Bryan Guignard
