

Welcome to TBG Commission!

The **Truth Beauty and Goodness Commission** (TBG) promotes matters beyond mere physical survival. This site is built and operated by volunteers who have received hope and enlightenment in their lives, and who in turn wish to share it with others.

“Philosophy you somewhat grasp, and divinity you comprehend in worship, social service, and personal spiritual experience, but the pursuit of beauty — cosmology — you all too often limit to the study of man's crude artistic endeavors. Beauty, art, is largely a matter of the unification of contrasts. Variety is essential to the concept of beauty. The supreme beauty, the height of finite art, is the drama of the unification of the vastness of the cosmic extremes of Creator and creature. Man finding God and God finding man — the creature becoming perfect as is the Creator — that is the supernal achievement of the supremely beautiful, the attainment of the apex of cosmic art.

Introducing The Truth Beauty and Goodness Commission

Founded on November 14, 2015, the Truth Beauty and Goodness Commission espouses the new era of enlightenment which is now upon our world. Our purpose is to uplift the old mindset of division and strife to the higher values of The Fatherhood of God, and the Brotherhood of Man, to be reached through the pursuit of Truth Beauty and Goodness, and fuelled by genuine brotherly love.

Our Core Values

Think ~ Truth

Choose ~ Beauty

Our Guiding Principles

The Truth Beauty and Goodness Commission endorses a **Do No Harm** policy. Read our complete [Guiding Principles](#).

The Four Agreements

1. **Be Impeccable with your Word**

Speak with integrity. Say only what you mean. Avoid using the Word to speak against yourself or to gossip about others. Use the power of your Word in the direction of truth and love.

2. **Don't Take Anything Personally**

Nothing others do is because of you. What others say and do is a projection of their own reality, their own dream. When you are immune to the opinions and actions of others, you won't be the victim of needless suffering.

3. **Don't Make Assumptions**

Find the courage to ask questions and to express what you really want. Communicate with others as clearly as you can to avoid misunderstandings, sadness and drama. With just this one agreement, you can completely transform your life.

4. **Always Do Your Best**

Your best is going to change from moment to moment; it will be different when you are healthy as opposed to sick. Under any circumstance, simply do your best, and you will avoid self-judgment, self-abuse, and regret.
